VOL. XLVII. UPLAND, CALIFORNIA, FRIDAY, MARCH 20, 1942. NO. 91.

PLAN DEMOLITION OF MANY SHACKS ON HOUSING SITE

Looking toward the demolition of approximately half of the dwellings located on the clearance site of the Housing Authority of the City of Upland, commissioners met last night to discuss plans for such elimination.

It is the desire of the commissioners to demolish as many houses as possible. However, because of the acute housing shortage and the difficulty of finding places for all the site residents, it is not possible at this time to tear down all the places. Therefore, the commissioners plan to eliminate the worst places, and permit the others to be occupied for the present.

Commissioners present were Paul F. Schowalter, chairman; Everett W. Henry and Alan A. Couch.

Increased Efforts In Conservation of All Products Urged

During California's eighth annual conservation week, observed last week, special attention was given to wartime conservation problems, as well as to the presservation of the state's natural resources.

Today, Chas. A. Perrin, head of Chaffey's department of agriculture and in charge of local conservation week observance, stressed the desirability and the urgent necessity for a continuing and increasing conservation of all products and usable waste material. Prevention of forest fires easily comes within the defense program, as does soil conservation, Mr. Perrin pointed out.

Increased production of food on farms and in home gardens also was advocated by Mr. Perrin as an urgent defense measure. He also spoke of the value of wise buying and careful use of food products, as well as of the economic necessity for preventing waste of any product.

"Every week conservation week" was the theme of Mr. Perrin's remarks.

Gust Anderson Home Sold to Don McKean In Deal Made Here

Mrs. Gust Anderson of Pasadena has sold her home, 462 East Arrow highway, to Mr. and Mrs. Donald McKean of Long Beach, the deal having been closed Wednesday. The new owners expect to take possession of the property in about two weeks.

Mrs. Anderson moved to Pasadena about two years ago, after having lived in Upland for more than 20 years.

Mr. McKean, son of the late Mrs. Kate Deats, is a former resident here, he having lived in Upland during his school days.

Sale of the property was handled by G. T. Redmon, real estate dealer.

U. S. Steno Jobs Filled Quickly By News Story

Up until publication recently in The News of an item stating that Upland had an opportunity to fill a quota of two stenographers for government work in Washington, D. C., John L. Bice, local civil service representative, had looked fruitlessly for some little time for persons who desired to seek the opportunity.

However, immediately following his broadcast appeal in The News for applicants, his search ended. Three applicants appeared at once to take the civil service stenographic examination, making it possible to fill Upland's quota of two and to transfer the third to Pomona to fill its quota as well.

Lieut. Russell Trimmer, who came to Upland on a nine days furlough to visit his parents, Mr. and Mrs. J. W. Connor, 578 West Ninth street, has returned to his station at Camp Barkeley, near Abilene, Texas.

Shells Burst in Ontario! Shucks, It's Only Peanuts

Ontario's Fire Chief Jack Gordon says that the latest blackout signal tried by that city in its search to find an adequate warning device sounded like a peanut wagon whistle in its tryout Wednesday evening.

There's one consolation Upland's neighboring fire chief can find, however, and that is, the shrill of a peanut whistle and the cracking of peanut shells might be a welcome sound during a blackout in comparison with the shriek of falling bombs and the bursting of AA shells!

But, no fooling, if there must be air raids and blackouts, Ontario is on the right track in its search to get a signal that will be recognized as a blackout signal. Imagine sounding a blackout and having the populace rush out into the streets all at once to buy peanuts!

CITY CAMPAIGN MAY BE ACTIVE

With eight candidates for three places on the Upland city council, next month's bi-annual balloting will be something more than just an ordinary affair.

At least, the voters will have an opportunity to choose from an unusually large field of aspirants. The three incumbents are seeking election. They are Perry O. Long, Mayor D. J. Cameron and Arthur H. Johnson.

Five other names will be on the April 14 ballot. These are William Atchley, James E. Goodban, Paul G. Hottel, Richard A. Ibanez, and V. H. Wilson.

Mr. Long has served the city on it's official body four years while Mr. Cameron is up for reelection for the third time. Mr. Johnson, however, has received southland attention for his unusual record of serving his community continuously since 1914. That's a matter of 28 years.

The most recent "newcomers" among the list of candidates are Mr. Hottel, president of the Upland chamber of commerce, proprietor of the Upland Furniture Co., and Richard A. Ibanez, attorney. Mr. Goodban is one of the city's most successful businessmen, he having a shoe store here since 1922. Mr. Wilson has also shown ability as a thrifty business manager and is an active campaigner for election again to the city council. He has served four years, his term ending in 1940.

Mr. Atchley, another former councilman, is known to many people and his former city hall service was marked with special accomplishments.

Ray C. Norton, city clerk and veteran Upland resident, is unopposed for reelection to that position. He was appointed several months ago to that position to fill the vacancy caused by the death of the late J. L. Grahame.

The Misses Austin Accept Secretarial Work in Washington

The Misses Stephanie and Cecile Austin, daughters of Mrs. Emily J. Austin, 824 West Twentieth street, have been called to Washington, D. C., by the Civil Service comission to take secretarial positions in the national capital.

The Misses Austin recently passed their examinations after attending the Ontario Secretarial college. They will not know until they arrive in Washington to what government department they will be assigned.

The sisters will leave Monday night at 8:30 on the Santa Fe.

Chamber Commerce Directors To Hold Meeting Tuesday

Upland chamber of commerce directors plan to hold their regular monthly meeting next Tuesday evening in the form of a dinner meeting in the dining room at Upland Inn, it is announced by Howard Pierce, secretary.

The meeting was postponed from last Tuesday, due to a conflict with other meetings.

RATION BOARD HAS TWO NEW CARS TO SELL

Two brand new passenger automobiles equipped with new, resilient rubber tires are now on sale in Upland by the only local car dealer, Upland Rationing Board, it is announced by R. C. Norton, chairman, who states that the two cars represent Upland's quota for March.

However, there need be no rush to snap up the supply, as Mr. Norton said that he believed this month's quota would just cover two vehicles sold here before the first of January and which have been held "on ice" by a local dealer since the New Year's freeze.

Tire applications are still running considerably ahead of the March quota, Mr. Norton said. Applicants will just have to wait their turn, he declared, and added that many who have applications before the board now will have to wait for the April quota to get their tires.

TIRE SALES

Tire sales from March 9 to 13 made public by the board include:

Tractor tires: W. A. McKee, Etiwanda. Truck tires: E. B. Bogart, 105 Main street, Upland; Paul R. Daggs, 470 First avenue, Upland; Nelson Van Fleet, 1788 Helman avenue, Alta Loma; William Atchley, 132 Campus avenue, Upland; and Harold K. Hemingway, Thirteenth street and Benson avenue, Upland.

Obsolete tires: James B. Goodban, 241 Second avenue; and Bruce Beardsley, 1075 West Twentieth street, Upland.

Miss Witt Suffers Badly Broken Elbow

Miss May Witt, 724 North Euclid avenue, who recently sustained the fracture of two bones in her right elbow, is getting on very well, although she still is suffering considerable pain.

Slipping on the floor of a building while attending a meeting on Friday, March 13, Miss Witt fell, her elbow receiving the impact of the fall. The bones not only were broken, but also were splintered, which has resulted in a great deal of pain.

Pacific Agujar, son of Mr. and Mrs. S. K. Agujar of Upland, has been promoted to the rank of Sergeant at the Air Corps advanced flying school, Stockton Field, California. He is assigned to the maintenance department. Sgt. Agujar is a graduate of Chaffey high school. He enlisted in the U. S. army August 11, 1941.

FORMER RESIDENTS BUILD NEW HOME

One more new home, which may be the last for some time, to come is under construction this week, the permit having been issued by Richard W. Derby, Upland building inspector, to W. F. Kitchel, Pacific Palisades.

Occupancy of the new residence by the Kitchels will mark the return here of former Upland residents who sold their home here and moved to the ocean-front community several years ago.

A four-room structure with bath and attached garage, the home is to be of combination stucco and shake construction, and is located just north of the E. E. Gray residence at 840 North Euclid avenue. C. F. Eppler, 555 East Foothill boulevard is in charge of the work.

Service Club To Open New Rooms

Completion of the Cucamonga library and Cucamonga Service club swap of buildings will be celebrated next Monday evening, March 23, when the club will properly intitiate its new quarters with its regular dinner meeting, it is announced by President Poll Sanchez.

Red Cross Canteens Established To Provide Food in Emergencies

Organization of Upland's Red Cross stationary canteens, or food stations, has been completed, it was announced today by Mrs. Warren H. Wass, chairman of the emergency food committee, which includes Mrs. J. F. Sawyer, Mrs. Clyde D. DuVall, Anthony Caso and Hjalmar Anderson.

The emergency food committee is a sub-committee of the Red Cross disaster committee, Glenn M. Atwood, chairman.

The disaster committee is assigned general supervision and direction of all work that becomes necessary in time of disaster of any kind.

The share of such disaster work to be handled by the emergency food committee is to provide food for civilians who may be rendered homeless in some disaster, or for soldiers serving in time of an emergency (which is an evasive way of saying in time of an air raid, with Japanese bombs raining death and distruction upon the people.)

CANTEENS ESTABLISHED

To be ready under such a possible, and even probable condition, Mrs. Wass and her committee have established canteens in the community's five buildings with the largest kitchens and dining halls.

Committees of volunteers, chairmaned by women experienced in supplying food for large club and church gatherings, have been organized and a plan of operation is being worked out.

The canteens and the committee personnel are listed as follow:

Upland Woman's club house — Mrs. S. M. Jessup, chairman; Mrs. Lloyd A. Fox, Mrs. L. N. Kirk, Mrs. E. O Bowden and Mrs. L R. Bradley.

First Presbyterian church — Mrs. Ray C. Norton, chairman; Mrs. Thomas W. Harris, Mrs. Henry M. Busch, Mrs. Gertrude Hall and Mrs. Floyde L. Atwood.

First Methodist church — Mrs. Frank C. Buffington, chairman; Mrs. Lewis Jenison, Mrs. Flora S. Allen, Mrs. Harold Rowe and Mrs. Harry Cooley.

Brethren in Christ church — Mrs. J. P. Bert and Mrs. J. W. Bert, co-chairman.

First Mennonite church — Mrs. Earl Scritchfield, chairman.

DRAFT CANDIDATES, SPEAKER ADVISES

Stressing the necessity of drafting able candidates for public office, C. A. McKeand, director of industrial relations for the Merchants and Manufacturers Association of Los Angeles, was principal speaker at the first annual membership dinner of the Citrus Belt Association of business men which was held on Tuesday evening at Upland Woman's club.

"Impervious to Emergency" was the subject of Mr. McKeand's talk in which he likened the cry of "emergency!" to the familar unbelieved cry of "wolf, wolf!" in a well-known fable. He pointed out that so much "emergency" legislation was enacted through the '30's, that now when there is a real emergency, it is difficult to make the people believe it.

He also stressed the necessity for maintaining good labor relations. This could be done, he pointed out, through good wages, complete understanding between employers and employees; discussion of grievances when they arise, and by being human with all employes.

A large turnout of business men from Upland, Ontario, Pomona, Claremont, LaVerne and San Dimas attended the dinner, together with guests from Orange county, Riverside, San Bernardino and Corona. Hugh W. Stiles, president, presided. Paul G. Hottel of Upland is a member of the Citrus Belt association board of directors.

Ross Haynes Sees "Euclid Avenues" In New Orleans

Pvt. Ross Haynes reports that he is finding New Orleans an interesting place, once one learns to find his way around, according to word received by his parents, Mr. and Mrs. Verl C. Haynes, 280 North Campus avenue.

He describes Canal street of the old French city as an Euclid-like avenue, being the main stem of the colorful city of the south.. Once on Canal street, one can find most any place he wants, Ross relates, as everything stems off from it.

New Orleans has many streets like Euclid avenue, but the plantings on them are not as well planned nor as attractive as the West End's famous avenue, is his opinion. The old French quarter of the city he describes as being as fully as colorful as its reputation.

Pvt. Haynes is now assigned to work with the public relations office of his outfit. Lately he has been engaged in writing scripts for some of the regular radio broadcasts issued by the army office, and his work has been accorded very favorable praise by his superior officers.

PRIORITY HOLDS UP EUCLID LAWN

Work of installing the new parkway lawn on Euclid avenue between Foothill boulevard and Thirteenth street, which was started upon authorization of the city council two weeks ago, will be delayed indefinitely pending the decision of priority officials in Washington, it was announced to the city council last night by City Manager R. G. Manley.

Scarcely had the lawn work been undertaken when Washington priority officials replied to Mr. Manley's query as to use of lawn sprinkling materials out of city stock for the project.

Washington's long-waited decision, in the absence of which councilmen decided to have the work started, was that it would be necessary for the city to file application for a priority number either to use materials out of stock or to buy materials.

So now the proper application has been filed by Mr. Manley seeking a priority so that the city may use the materials it has in stock. And in the meantime, Councilmen Godfrey Andreas and Perry Long will have to forego the pleasure of an early spring preview of the green lawns they seconded for each other.

R. O. Price, 2370 Euclid avenue, is a hospital patient this week, having entered the institution on Tuesday for medical attention.

Jaysee Getting Ready for New Summer School

That Chaffey college summer school plans are maturing so that those graduating seniors who wish to complete their college work before reaching draft age or for other reasons may do so, was revealed today by Director Charles J. Booth, who indicated that there are already nearly 50 graduating seniors and present college freshmen who have indicated their desire to take the courses. Summer session will start June 15 and continue until July 31. There is no tuition charge.

A definite schedule has not yet been aranged but subjects almost certain to be included are mathematics, English, physical education, hygiene, political science. Other subjects which may be included are bacteriology, chemistry, machine shop, office machines, and Spanish. Final schedule will be influenced by students' choices expressed now.

College teachers who have volunteered their services for the session include Leo Wadsworth, Howard Stanford, Mrs. Harriet Fleming, W. W. Mather, Frank Palmer, Miss Rosamond Norman, Dean Pearl E. Clark, Donald Jacobs, and Dean Walter A. Hall.

WATER RATE MAY BE REDUCED FOR VICTORY GARDENS

Envisioning mounting costs of vegetables, resulting from an imminent shortage of market produce coincident with the removal of Japanese truck farmers from prohibited coastal areas, Upland city councilmen heard an informal proposal at their meeting last night for a revision of city water rates so as to encourage the planting of home Victory Vegetable gardens.

NOT OFFICIAL

Due to the fact that the subject of reducing water rates was brought up after adjournment of the council, no official action was taken regarding the matter. However, the councilmen did remain to discuss it briefly and to hear City Manager R. G. Manley read a revised and reduced schedule of water rates, which he may present to a later meeting of the council for consideration and action.

The schedule which may be proposed by Mr. Manley retains the minimum rate of $1 per 700 cubic feet of water and 10 cents per 100 cubic feet for additional water from 700 to 2,000 cubic feet. At 2,000 to 5,000 cubic feet of water, the revised schedule would establish a rate of eight cents per 100 cubic feet, a reduction of two cents, while all additional water over 5,000 cubic feet would be metered at six cents per 100 cubic feet, a considerable decrease from the present rate.

MOVE FOR LESS

Mr. Manley pointed out that on the average water bill a considerable saving would be effected under the new rate for additional uses of water. The new rates would work to give more water for less money than the average bill at present.

TO MEET SCARCITY

Spiking any idea that the cost of water for irrigating victory gardens would exceed the cost of vegetables in the market, Attorney E. E. Gray pointed out that prospective scarcity of vegetables will cause an increase in market prices so that home grown vegetables should more than repay any extra cost of water. He pointed out that removal of Japanese, who form the backbone of the market supply of vegetable produce, is apt to be felt very seriously before long. Water for gardens, he declared in his opinion, would be the most economical means, in the long run, of supplying home tables with fresh produce and vitally necessary vitamins.

According to opinion expressed by many, a reduction in water rates to back up the war garden effort would be an important forward step for the city council to take.

UPLAND WELCOMES 2 NEW CITIZENS

Passing from the pale of alienship to citizenship, two Upland residents became American citizens on Wednesday when 47 applicants were granted citizenship in the court of Superior Judge Benjamin F. Warmer in San Bernardino.

Thomas H. Kendall and Fannie Kendall of Upland were among those who were accorded citizenship rights and privileges. Elidoro Trujillo of Etiwanda also received his citizenship with the group.

Applications of 13 persons were continued or denied. . In addition, four women who had lost their citizenship by marriage to aliens were repatriated.

Mr. and Mrs. N. W. Urquhart left Thursday for their home in Eureka after spending a week with Mrs. Urquhart's parents, Mr. and Mrs. L. W. Wimberly on West Arrow highway. Mrs. Urquhart will be remembered by many residents here as Miss Lela Wimberly, for some time commercial manager of the Ontario and Upland Telephone company, which served Upland, Cucamonga, Ontario and Chino.

Set April 27 for Registration of All Men 45 to 64

Upon the heels of the nation's third selective service drawing, President Roosevelt yesterday designated April 27 as the date for registration of the remainder of the country's manpower which will include all men from the age of 45 to 64 inclusive.

Men in this latest registration, however, will not be liable to military service. The registration will serve as a measure of manpower available to man the nation's defense machinery to keep the war effort rolling in full swing.

It is anticipated that the April 27 registration will bring the total of the country's registered males to nearly 50,000,000, without including youths between 18 and 19. These latter, it is planned will register at a later date still to be set, but will not be subject to military call before reaching 20.

KITES TO FLY NEXT FRIDAY

Response to plans for the fourteenth annual kite tournament sponsored by Upland chamber of commerce is coming in daily to the chamber office from organizations of Upland and the Foothill communities, it is announced by Howard Pierce, secretary of the chamber of commerce.

Commander E. C. Pierce of Upland post of the American Legion has signified that he will act as one of the judges for the event, while word from William Bannister, president of Alta Loma Community club, states that Henry Rollins, principal of the Alta Loma school, has been appointed to be the club's representative in the judging.

Youthful kite flyers of Upland, Alta Loma, Cucamonga and Etiwanda, promise the usual colorful meet will be even more of an event this year, with interest centering on war and victory. When they run up their entries to tussle with the upper air currents over the open country at Campus avenue and Eleventh street, there will be many a thriling race as strings reel out.

Kite entries will be judged for appearance and workmanship at the exhibit next Thursday afternoon, March 26, at Upland Elementary school, where they will be on display from 8 a.m. to 4:30 p.m. Contest flights for box, tail and tailless kites and the speed contest will take place on Friday between 2:30 and 4:30 p.m.

Women Wanted for Canteen Class To Start on Monday

First class in Red Cross wartime canteen work to be held in Upland will start Monday morning and will be held in the Upland Woman's club house each succeeding Monday, 9 to 11 a. m.

Instruction will be given by Mrs. Frances Brewer of Pomona, who conducted the Red Cross nutrition class that closed last week, and those attending will learn how to efficiently operate canteens, or food stations, in time of disaster or war-time emergency.

Such work may become vitally essential at any time, it is pointed out by the Red Cross committee, and it is necessary to have a large number of trained persons ready to direct the operations.

Those who received certificates in the nutrition class are eligible for canteen certificates when that course is completed.

Anyone may take the canteen course, and it is hoped a large number will attend the class.

It is especially desired that all women who have volunteered for canteen work attend the class.

The nutrition and canteen classes are under the supervision of Mrs. J. F. Sawyer, who is a member of the emergency food committee, operating as a division of the Red Cross general disaster committee.

SELECTIVE SERVICE DRAWING DECIDES FUTURE FOR 1,700

Speaking of "the luck of the Irish"—if anything was ever pure luck it was the selective service drawing staged in Washington on Tuesday, St. Patrick's Day, in which 7,000 little green capsules drawn from a famous goldfish bowl, determined the future army service of some 1,700 registrants of the Upland board. Some might remark, "The goldfish were the lucky ones. They weren't in the bowl!".

The early drawing of 441 brought up the first Uplander to head the list, Rex R. Sachs, with 1103 for John M. Estes and 1156 for Frank T. Andrade coming up soon after to give them the three top places.

Oddities always crop up in selective service drawings. Prominent names which cropped up in the list of Upland board registrants were Theodore Roosevelt Mitchell, Barstow, and Benjamin Franklin Boyle, Westend.

Out of 7,000 possible chances, the local serial number of Chas. C. Wilhelms, Trona, came up on the 6,990th draw, being but 10 numbers from the last drawing from the goldfish bowl. His will probably be the lowest position on the Upland board list.

With the same 7,000 chances to have one's serial number and order number come out number for number, Nathan L. Forbes, Victorville, came close. He held local board serial number 1539, which came out of the bowl on the 1540th draw, just one off.

A very interesting fact was the appearance on the Upland board list of a father-and-son team registered in the same registration, Stanley E. Read and Stanley E. Read, Jr., both of 402 North Eleventh avenue. It is interesting to note that both in local serial number and in the national drawing Mr. Read, Sr., drew the low numbers, being eligible to call before his son.

Richard W. Derby was another father whose number came up in the drawing this week, but his son was registered in the second registration last July, so they are up together, though in different registrations.

Serial numbers and order numbers of Upland, Alta Loma, Cucamonga and Guasti residents will be found on page eight of this issue of The News.

Mrs. C. I. Dillard Sustains Fracture Of Right Ankle

Slipping on an outside stairway at her home, 920 East Seventh street, Mrs. C. I. Dillard fractured her left ankle Sunday morning. The steps were wet from the fog of the night before and were slippery, causing Mrs. Dillard to lose her balance. However, she was able to catch the railing in time to prevent a fall down the entire flight of steps, but could not avoid the ankle injury.

She is now able to sit up in a wheel chair and is getting on very well.

Relatives Notified Herndon Ragan Is In Naval Hospital

Herndon Ragan, who resided on East Eleventh street for about two years before being recalled to the navy a year and a half ago, has been injured and is in a naval hospital, it has been learned by his brother-in-law, J. W. Connor, of 578 West Ninth street.

Mrs. Ragan, who resides in LaVerne, received word of her husband's injury in an official notification from navy headquarters.

Mr. Ragan had been stationed at Pearl Harbor for some time, but where he is now is not known.

Mrs. C. C. Sachs, who recently submitted to surgery at San Antonio Community hospital, has been returned to her home at 185 East Seventh street. She is improving satisfactorily.

The People Are Not Complacent—Why Should Washington Be?

Get Busy

Hon. Franklin D. Roosevelt,
President of the United States,
Washington, D. C.
Dear Mr. President:

Since we are at war, we should be running our factories 24 hours a day, seven days a week, and not four or five days a week.

The people of Japan work 84 hours a week while we are fighting among ourselves to decide whether we should work 40 hours or less a week. We think that because we have a hundred and twenty million people that we can lick Japan who has only sixty million. Perhaps we can if we get to work, but if each Japanese works twice as hard as each American, their output will equal ours.

We are at war—we are not playing games. We ought to cut out all amusement for a few years and get to work or we will find that there will never be any more amusement for the American people. Let us work 12 hours a day if necessary.

There are a few jobs at which a person cannot work more than eight hours, but they are few and far between. Work less on these particular jobs, but do not let these few jobs upset the balance and cause us to work less on all jobs.

Let us cut out all big profits to capital and cut out all time and a half for workers. The government can do this. So why not do it? Let us get to work now instead of waiting until after we are captured! We the people are not complacent—why should Washington be?

(Signed) EMPLOYEES IN THE CITY HALL

What has been so aptly written to President Roosevelt is emphatically endorsed by most people in this community. "Get Busy in Washington" is the demand coming from the people directly to Representative Harry R. Sheppard, Senators Hiram Johnson and Sheridan Downey and the hundreds and hundreds of other key men in the capital.

The people are ready. The battle of the politicians, labor leaders and the factions should end.

Reservation To Be Made at Once for Conference

Reservations for the Woman's Civic conference to be held on the campus of the University of Southern California on March 26 are to be made by tomorrow, it is announced by the committee in charge.

In Upland, reservations may be made with Mrs. Alfred R. Kipp, San Antonio Heights.

Mrs. Kipp and Mrs. Emily J. Austin, president of the Upland Woman's club, are members of the official board arranging for the conference, at which a number of the state's most outstanding speakers will appear.

Club Women To Hear Inspiring Talk on Madonnas in Art

A program that will be inspiring, as well as entertaining and educational, and one that is especially appropriate to the Easter season, will be presented at the afternoon meeting of the Upland Woman's club to be held in the club house next Tuesday.

Mrs. Gerta Hatch Crandall, world traveler, art collector and lecturer, will speak on "Madonnas in Art." Accompanying her lecture with the showing of beautifully colored stereopticon slides, she will picture by word and screen the madonnas produced by the world's artists.

Mrs. Crandall has visited the art capitals of Europe and has studied not only the pictures, but also the background of country, people and culture against which they were produced.

Through her slides one may see the famous paintings that may never again be exhibited.

Mrs. Emily J. Austin, club president, will preside during the meeting and Mrs. J. Emery Sargent, program chairman, will present the speaker.

The program also will include musical numbers appropriate to the season.

A tea hour will follow the program, with Mrs. Ray C. Norton, and her March committee serving as hostesses.

Officers Elected by Mariners Club in Dinner Session

In the annual election of officers held last evening by the Mariners club of the First Presbyterian church, Mr. and Mrs. George Miller of Ontario were named skippers to serve for the coming year. They will succeed Mr. and Mrs. Floyd Campbell.

Other officers elected are Mr. and Mrs. Harvey Gallaugher, first mates; Mr. and Mrs. Robert Marineau, log keepers, and Mr. and Mrs. Harold Hemingway, pursers.

The meeting was held in the Presbyterian church dining hall and began with the serving of dinner.

Following the business session and election of officers, a program of miscellaneous motion pictures was presented.

Mr. and Mrs. Campbell showed pictures of various Mariner activities and a film picturing scenic places visited on a motor trip through California was shown by Mr. and Mrs. Howard Kilmurray.

Other pictures shown were scenes of the war devastation in Europe and an old Harold Lloyd comedy of the silent era, which proved especially amusing.

Committee for the evening included Mr. and Mrs. Bert Reed and Mr. and Mrs. Campbell.

Others in attendance were the Rev. and Mrs. Rex E. Lawhead, Mrs. Ralph Scott and the Messrs and Mesdames Henry M. Busch, Harold Hemingway, Gerald La Forge, George Miller, Harvey Gallaugher, Robert Marineau, Roger Moore, Howard Kilmurray and Jack Hansen.

Dr. Walter Hill and Miss Richardson To Be Married

Local friends of Dr. and Mrs. Merton E. Hill, formerly of Upland and now residing in Berkeley, have received invitations to a wedding that will be of interest to many former Chaffey students and to friends of the family.

Dr. Walter Bradley Hill, son of Dr. and Mrs. Hill, and Miss Mildred Mary Richardson are to be married on Friday, April 3, in the Pasadena Wedding chapel.

Miss Richardson is a nurse in the Huntington Memorial hospital in Pasadena.

Dr. Hill, a native of Upland, was reared here and attended the Upland schools and graduated from Chaffey when his father was president of that institution.

Miss Eleanor Farmer Honored Guest at Birthday Party

Complimenting her friend, Miss Eleanor Farmer on the occasion of her eighteenth birthday anniversary, Miss Miriam Settle entertained a number of guests at an 8 o'clock dinner Wednesday evening at the home of her parents, Mr. and Mrs. Thos. H. Settle, 442 North Second avenue.

An arangement of pink azaleas provided the decoration. Following the dinner hour the group of friends enjoyed several contest games, with first prize being awarded to Miss Roberta Manley. Miss Farmer was the recipient of a number of birthday gifts.

Attending the party were Miss Farmer, Miss Alice Ross Wilson, Miss Roberta Manley, Miss Ruth Jean Blackman, Miss Marie Genung and the hostess, Miss Settle.

IMPORTANT BOOKS ON ORIENT READY

In calling attention of the reading public to several new books that give information essential to a general understanding of the European situation, the library staff today mentions one book on Japan and one on the Dutch East Indies.

An important book on Japan is "The Japanese Enemy: His Power and His Vulnerability", by Hugh Byas, the well-known correspondent for the New York Times. He says: "I do not know how many ships and planes the Japanese have, nor what use they plan to make of their 'anchored aircraft carriers' in the Pacific, nor what stores they have of gasoline and oil and metals; but I do know how they think, how they reach decisions." Mr. Byas' long service in the Far East has given him a knowledge of Japanese life and character virtually unmatched among people of Western culture. The author now resides in the West Indies.

"Isles of Spice", by Frank Clune, is a first hand study of the Dutch East Indies, Indio-China and North Australia, on which the world's attention is focussed.

Church of Christ Ready to Install Its New Officers

Congregation of the Upland Church of Christ, which meets in the Upland Woman's club house, is preparing to install the elders and deacons who will serve the church during the coming year, which will be the third year since establishment of the church in Upland.

The pastor, the Rev. Earl Warren, urges all members who have not already done so, to fill out and bring in their reports by Sunday if possible, or not later than next Wednesday.

The Rev. Mr. Warren, who recently came to the church as supply pastor for two or three months, may leave soon for his home in Iowa. Sunday evening he is to preach in the Ontario church. The Ontario minister will speak in Pomona, and the Pomona minister in the Upland church.

Gospel Services To Be Held at Upland Church of Nazarene

Special Gospel services will be held nightly at the Upland Church of the Nazarene, corner Ninth street and Third avenue, through the week of March 22, including both Sundays.

The pastor, the Rev. Will South, will be the speaker and he will be assisted by local musical talent. The Rev. Earle H. Anderson, known as the "Singing Fireman", of San Diego, will be the guest Gospel singer, beginning Monday night.

The Rev. Mr. South announces a series of messages on "The Holy Spirit in the Christian Life", and plans this series as part of a larger program designed to prepare Christians for the difficult times that lie ahead in conditions of all-out war.

FIDELIS CLASS MEETING

Fidelis class of the Methodist church announces that it will hold a twenty-five cent luncheon next Tuesday noon, March 24 at the home of Mrs. L. E. Griffith, 767 North Third avenue.

There are now 3,400,000 members of agricultural cooperatives in the United States and these grower-owned organizations have an annual business turnover of $2,280,000,000.

STILL at your Service
(perhaps not quite as promptly as usual)

LIKE EVERYBODY ELSE in the public service we are compelled to go easy on the automobiles, tires and gasoline that we use to serve you. We cannot keep so many Edison cars on the roads these days.

We hate to do it, but we have to cut down on service errands, too. There are not so many of us now—many former Edison service men are in Uncle Sam's armed forces. And so we will have to combine our response to your call with your neighbor's whenever it can be done. The adjustment of your electrical equipment, replacing fuses, and odd jobs like that, may have to wait over a day after you call.

When you want electrical service turned on or off, you can help by giving us plenty of advance notice. If possible, we will turn on the service the day after your order comes in.

And please do not ask us to make service calls on Sundays, holidays or after 5 p.m.—except in emergencies. If there is a serious and critical emergency job to do—we'll do it at the earliest possible moment.

It also has been that many years since Mrs. Freeman visited her old home town and she is looking forward to a pleasant time there.

Church of Nazarene Calls Minister for Extended Pastorate

In a recent official meeting of the congregation of the Upland Church of the Nazarene, the present minister, the Rev. Will South, was called for a three-year pastorate. It has been the custom of the church to call its pastor for only a one-year period, renewing the call each year according to decision of the congregation.

The Rev. Mr. South accepted the call for the extended period with renewed zeal in his work.

The minister's classes in Bible prophecy conducted from time to time in the local church, have attracted attention in other places and he recently has responded to requests to speak in a number of churches throughout the valley, from Santa Ana to Riverside.

TUMBLERS TUMBLE FOR LIONS CLUB

Tumblers tumbled all over themselves to the enjoyment of the Upland Lions club members yesterday noon.

Upland junior high school's most expert stars gracefully went through their amazing antics without a hitch or an injured shoulder even though the thin mat was on a hard floor.

Robert Marineau, teacher and tumbling instructor, presented the group at the meeting of the club in Red Hill Country club house. Harold W. Cook, school principal, was in charge of the meeting.

Providing musical sound effects for the tumblers were Bob Brown and Harold W. Cook, Jr., drummers and Stanley Gunstream, trumpet. Tumblers were Raymond Anderson and Billy Rugg, co-captains; Don Lee, Bob Anderson, Peter Cherbak, Paul Elardi, Dale Maxie, Jack Dunagan, Orlan Riggs, Peter Combs, Richard Hill, Charles Yatsu, Clifton Baker, Bob Brand, Leonard Davis and J. C. Shoemaker.

Henry Busch, vice-president, presided at the meeting.

C. B. Work Dies At Home Thursday: Service on Monday

Charles B. Work, a resident of Upland for the past nine years, was found dead in the garage at his home, 533 North Second avenue, Thursday afternoon. Mrs. Work made the grievous discovery at about 2:30 when she returned home after a brief absence. Mr. Work had not been in good health for some time. He was 69 years of age.

A native of Newtonsville, Ohio, he had lived in California since 1915, coming to Upland from San Bernardino. He was an experienced carpenter.

Surviving Mr. Work are his wife; a daughter, Mrs. Alfred Wortham of El Monte; three sisters, Miss Florence Work of Tucson, Ariz., and Mrs. Fred Jesser and Miss Mary Work of Denver, Colo.; two brothers in Ohio, Wilbur Work of Newtonsville and William Work of Batavia; also seven grandchildren.

Funeral service will be held at 2 o'clock Monday afternoon at Stone's chapel, with the Rev. Seth E. Rehkop officiating.

Interment will occur in the La-Verne cemetery.

It is requested that no flowers be sent.

"Auto Clubs" Will Make Tires, Gas Go Farther in Future

Maybe people will get to know their next-door neighbors nowdays, in fact, every neighborhood is destined to become more chummy, if the plan suggested by government officials is put in effect.

It is advised that motorists pool their automobiles and form "car clubs", members of which take turns driving their automobiles to work or to market. To workers whose cars furnish transportation to and from jobs, defense officials suggest that they get together with their neighbors and see if they can double up their transportation efforts.

Organization of car clubs for four and five will save cars when they take turn driving each other to work.

By the same token, housewives can share shopping trips and families can share journeys to town, to church, to amusements, and to many other activities. Use of as few cars at a time as possible by rotation of use will save time, gasoline and tires for all, and lessen traffic hazards.

Housewives are asked to plan carefully so as to make fewer shopping trips, planning purchases once or twice a week.

Organization of the "car club" plan is suggested through neighborhood cooperation or through civic organizations, plant organizations, and church and P.-T. A. groups.

"Bridget", she said to her old servant, "for the first thirty minutes after six o'clock I want you to stand at the drawing room door and call the guests' names as they arrive".

Over half of the United States grapefruit crop went to the canneries in 1941.

COLLEGE HEIGHTS

S. M. Jessup's sister, Mrs. Maud Weer, of Anderson, Ind., and his niece, Mrs. Verna Ogleby, of Tipton, Ind., arrived in Upland on Tuesday to visit for a week at the home of Mr. and Mrs. Jessup.

Dr. and Mrs. F. J. White motored to Whittier on Tuesday and spent the day with their daughter, Mrs. J. F. Chittum and children. Dr. and Mrs. White have received word that their son and daughter-in-law, Mr. and Mrs. Philip White of Berkeley, are the parents of a son, born on Sunday.

Eugene Wing, who recently enlisted in the Marine Corps, is stationed at the Marine base in San Diego. One day recently his parents, Dr. and Mrs. George Wing, motored down to visit him and are very pleased to find that he is well satisfied with the branch of service he has entered.

Mrs. J. W. Morgensen's nephew, Robert Hanson, of Mesa, Ariz., has been visiting at her home for the past week.

Mrs. B. S. Little of Claremont and her baby son, William Duane, born March 5 at the Cottage hospital in Pomona, are staying at the home of the grandparents, Mr. and Mrs. W. B. Falls for two weeks.

Mrs. James V. Latimer was hostess for the College Heights Neighborhood club on Wednesday afternoon. The women devoted their time to Red Cross sewing and Mrs. Latimer served refreshments. Those present included: Mrs. J. E. Cuthbertson, Mrs. Merl Kough, Mrs. Lester O'Neal and daughter Sylvia, Mrs. J. W. Morgensen, Mrs. Mary Lehigh, Mrs. W. C. Clewett, Mrs. Kirkwood, Mrs. Jarvis Rogers and son Richard, Mrs. W. J. Jaschke, Mrs. Sam Jones and her daughter-in-law, Mrs. Leslie Jones, of San Bernardino; Mrs. Alvin Robbins, Mrs. E. J. Moore, Mrs. George Foote, and the hostess.

The emergency medical service of O. C. D. is carrying out a detailed plan for the emergency expansion of medical facilities. The American Red Cross has made all of its services and equipment available. Cooperation between the Red Cross and O. C. D. will include programs for the collection of blood plasma, the enrollment of medical technologists and nurses and the training of first aid workers and volunteer nurses' aides.

DRAFT NUMBERS FOR DISTRICT MEN ARE LISTED HERE

Just to give hundreds of local men a little hint as to how they fared in the national draft lottery Tuesday, numbers as drawn are published today. These numbers are tentative, and unofficial.

Previous to the draft drawing in Washington, D. C. the local draft board assigned to each registrant a serial number.

As explained by officials of the local draft board, the "number as drawn" actually means very little because of the necessity later of reassigning the actual "order numbers." Nevertheless, the numbers as printed, give the local men an indication—and an indication only—of how they are lined up in the possible selection of the recruits for the armed forces. A low "number" may mean the early receipt of a questionnaire from the local draft board.

Names listed here are of men residing in Upland, Alta Loma and Cucamonga. Unless otherwise, noted, the address is Upland.
